Be assured that any information is held securely under the terms of our General Data Protection Regulations Policy (GDPR). You have every right to refuse to give any of the following information. However, if you complete each section in a positive way, it may result in additional resources for the authority and the school. In relation to the mode of travel where, part of the journey is by car and part, say, is walking, please list the mode of transport used for the majority of the journey to school. This information can be used to great advantage for us when working on School Travel Plans and with Shirehall colleagues in obtaining funding for Safer Routes to School.

(G). Adopted from Care

Children adopted from care on or after 30 December 2005, as well as those who left care under a special guardianship order or residence order (now known as a child arrangements order) attract a significant sum of additional funding to schools to be used to help support your child's academic progress and attainment. If this is applicable to your child, we would be grateful if you could indicate (with a tick) which category below he/she falls into. It should be emphasised that the offering of this information is purely voluntary and parents are under no obligation to do so:
